Mount Nod Nursery Information

At Mount Nod Nursery the children have the best of both worlds: a teacher led, dedicated classroom and outdoor area with its own entrance solely for pre-school, coupled with the opportunity to join in whole school events such as Book Fayres, fundraisers, special assemblies and more.

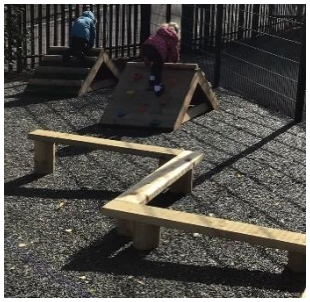
We currently offer
Morning Teacher-led Nursery Sessions
15 hours per week
Or
Full day Teacher-led Nursery Sessions

Sessions in addition to the Government funded 15 hours per week can be paid for privately or through the 30 hour Government funding for eligible families.
In addition to this we also offer before and after school care.

The nursery has its own wonderful, well-equipped classroom and outdoor play-area. We also have use of the forest area on site. The children are taught by a full- time qualified teacher, proven to give children the best start to their education. They also have a full- time teaching assistant in the classroom and other dinner time or support staff where needed.

During the Summer Term, there are regular opportunities to link with the staff and children in the Reception class which eases transition into the main school.

Please see the Information Brochure and a PowerPoint showcasing our wonderful nursery below.

For further information, to apply for a place, or to arrange a visit please contact the school office on **024 7646 6837** or email: admin@mountnod.coventry.sch.uk


Here are some photographs of our indoor and outdoor learning environment and some of our wonderful children enjoying their learning experiences at Mount Nod Nursery!
